Leave them alone and they'll come home

But when she awoke she found it a joke
For they were still a-fleeting

Then up she took her little crook
Determined for to find them
She found them indeed but it made her heart bleed
For they'd left their tails behind them

She heaved a sigh and wiped her eye
And ran over hill and dale-o
And tried what she could as a shepherdess should
To tack to each sheep its tail-o

TWINKLE TWINKLE LITTLE STAR

Twinkle, twinkle, little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
Twinkle, twinkle, little star
How I wonder what you are

When a traveller in the dark
Thanks you for your tiny spark
He could not see where to go
If you did not twinkle so
Twinkle, twinkle, little star
How I wonder what you are

In the dark blue sky you keep
And often through my curtains peep
For you never shut your eye
Till the sun is in the sky
Twinkle, twinkle little star
How I wonder what you are
