MYFCD06 TRACK 5 / 25
VROOM! VROOM!

First thing in the morning, I jump right out of bed
I brush my teeth and have a wash, and toast some lovely bread
I put on all my work clothes, pick up my bunch of keys
Go out into the farmyard, I'm ready if you please

(chorus)

So, vroom vroom give me some room my tractor's coming through
Turn the field for planting, oats and barley too
My engine running nicely, the weather's keeping dry
So, vroom vroom give me some room my tractor's coming by

The front wheels steer a straight line, the big ones give us power
The cab is fully waterproof protects me from a shower
The birds are singing loudly, the birds are in the sky
It's a lovely day for ploughing, that no one can deny

(chorus, repeat)

SMELLY

Something smells quite funny around here
On the farm these odours do appear
If you don't like farm perfume
You should grab a spade and broom
Or maybe you should just steer very clear

Smelly, smelly, there's something very smelly at the top of the yard
Smelly, smelly, there's something very smelly be on you guard

There's no doubt that there's a mighty pong (pong pong pong pong)
I don't know quite where it's coming from (pong pong pong pong)
If you don't like country air I should keep away from there
B'cause that whiffs been whiffing all day long (pong pong pong pong)

Smelly, smelly, there's something very smelly at the top of the yard
Smelly, smelly, there's something very smelly be on you guard

Hold your nose if you just had your tea
Think of lovely smells like potpourri
B'cause that's an awful stench we all agree

(pong pong etc)

Smelly, smelly, there's something very smelly at the top of the yard
Smelly, smelly, there's something very smelly be on you guard
Smelly, smelly, there's something very smelly at the top of the yard
Smelly, smelly, there's something very smelly be on you guard

MYFCD06 TRACK 10 / 25
OATS PEAS BEANS AND BARLEY GROW

Oats peas beans and barley grow
Oats peas beans and barley grow
Can you or I or anyone know, how
Oats peas beans and barley grow

Waiting for a partner
Waiting for a partner
Open the ring and choose one in, while
We all gaily dance and sing

Then the farmer sows his seed
Then he stands and takes his ease
Stamps his foot and claps his hands
And turns around to view the land

Waiting for a partner
Waiting for a partner
Open the ring and choose one in, while
We all gaily dance and sing

Oats peas beans and barley grow
Oats peas beans and barley grow
Can you or I or anyone know, how
Oats peas beans and barley grow

Waiting for a partner
Waiting for a partner
Open the ring and choose one in, while
We all gaily dance and sing

MYFCD06 TRACK 11 / 25
SEASONS FLOW

Each season has a reason, one all farmers know
Winter turns to springtime, seasons flow

Springtime brings the lambing, that's nature's way
Farmers have to tend their sheep, everyday
Each season has a reason, one all farmers know
So springtime brings the lambing, spring lambs grow

Summer brings the growing, that nature's way
The field are full of barley, corn and hay
Each season has a reason, one all farmers know
So summer brings the growing, all in a row

Autumn bring the harvest, that nature's way
Farmer's very busy, bailing hay
Each season has a reason, one all farmers know
So autumn brings the harvest, that autumn glow

Season flow...

Winter bring the cold wind, that's nature way
All the fields are waiting for warmer days
Each season has a reason, one all farmers know
So winter brings the cold wind, that winter snow

Winter turns to springtime, that's nature's way
Another year has come and gone, through each day
Each season has a reason, one all farmers know
So winter turns to springtime, seasons flow

Seasons flow (to fade)

MYFCD06 TRACK 12 / 25
BRINGING IN THE SHEAVES

Sowing in the morning, sowing seeds of kindness
Sowing in the noontide and the dewy eve
Waiting for the harvest, and the time of reaping
We shall come rejoicing, bringing in the sheaves

(chorus)

Bringing in the sheaves, bringing in the sheaves
We shall come rejoicing, bringing in the sheaves
Bringing in the sheaves, bringing in the sheaves
We shall come rejoicing, bringing in the sheaves

Sowing in the sunshine, sowing in the shadows
Fearing neither clouds nor winter's chilling breeze
By and by the harvest, and the labour ended
We shall come rejoicing, bringing in the sheaves

(chorus x 2)

MYFCD06 TRACK 14 / 25
EARLY ONE MORNING

Early one morning just as the sun was rising
I heard a maiden sing in the valley below
Oh don't deceive me, oh never leave me
How could you use a poor maiden so?

Remember the vows that you made to your Mary
Remember the day that you vowed to be true
Oh don't deceive me, oh never leave me
How could you use a poor maiden so?

So sang the poor maiden her sorrows bewailing
So sang the poor maid in the valley below
Oh don't deceive me, oh never leave me
How could you use a poor maiden so?

MYFCD06 TRACK 15 / 25

TO MILK A COW

What do I need to milk a cow?
 Milk a cow, milk a cow
 What do I need to milk a cow?
 Please tell me now

First you need a milking stool
 A milking stool, a milking stool
 First you need a milking stool
 For to milk a cow

What else do I need to milk a cow?
 Milk a cow, milk a cow
 What else do I need to milk a cow?
 Please tell me know

Next you need a milking pail
 A milking pail, a milking pail
 Next you need a milking pail
 For to milk a cow

What else do I need to milk a cow?
 Milk a cow, milk a cow
 What else do I need to milk a cow?
 Please tell me know

Last you need the cow itself
 The cow itself, the cow itself
 Last you need the cow itself
 For to milk a cow

Now I'm set to milk a cow
 To milk a cow, to milk a cow
 Now I'm set to milk a cow
 I shall do it now

Could you milk the cow for me?
 The cow for me, the cow for me
 Could you milk, the cow for me
 For I can't do it now

Yes, I'll milk the cow for you
 The cow for you, the cow for you
 Yes, I'll milk the cow for you
 But please don't ask my how, again!

MYFCD06 TRACK 18 / 25

All the sheep are in the pen
