STNCD02 TRACK 4 / 44
A TRUNK IS AN ELEPHANT'S NOSE

Elephants are big and strong
They have thick legs
But they're not long

They've got one head
Two eyes that see
Two ears that hear
Like you and me

They have no arms or fingers
And they have no toes
But they got a very very extra special nose
Its name is the same as a part of a tree

A truck is an elephant's nose
A trunk is an elephant's hose
A truck is an elephant's touch
It needs its trunk ever so much

A trunk can pick things up
A trunk can put things down
A trunk can sniff and blow
And make a special sound
Its sounds like a trumpet
To you and me

A truck is an elephant's nose
A trunk is an elephant's hose
A truck is an elephant's touch
It needs its trunk ever so much

All the birds are sitting, up, up in the tree
Singing and whistling, oh so merrily
When they're feeling hungry they swoop without a sound
They find a worm and use their beak to pull it from the ground
