Baby Animals

Baby animals, baby animals
Oh, they come in many shapes and sizes
Little furry ones and
Hairy, scary ones and
How we love them, oh, it's no surprises

Baby animals, baby animals
Wide eyed delectable, we can't resist them
If they're five feet tall or
Scrumptious, gorgeous small
We'd scoop up them all
And hug them, hug them

Baby animals, baby animals
Our precious pets or out in the big old world they're
All so wonderful
Fun filled bundlesful
Cute and cuddleful
We love them, love them

Baby animals, baby animals
Oh, they come in many shapes and sizes
Little furry ones and
Hairy, scary ones and
How we love them, oh, it's no surprises

Baby animals, baby animals, baby animals, baby animals, yeah

Baa Baa Black Sheep

Baa baa black sheep have you any wool?
Yes sir, yes sir, three bags full
One for the master, one for the dame
One for the little boy who lives down the lane

(repeat)

My Little Hamster's Furry And Sweet

My little hamster's furry and sweet
Sometimes he eats the things we eat
Like sweetcorn and rice, banana and toast
But the food that I know he likes the most
Is his own special mix of nuts and grains
Nuts and grains, nuts and grains
His own special mix of nuts and grains
Nuts and grains

My little hamster loves to run around
When he's on his wheel, his feet don't touch the ground
He sleeps in his bed, most of the day
And when it is night time, he comes out to play
He comes out to play, he comes out to play
And when it is night time, he comes out to play
He comes out to play, he comes out to play
Play with me

Horsey Horsey

The Mouse On The Carpet

I saw him, you didn't
He's there, he is not
The mouse on the carpet
Is so hard to spot

The problem, is that he
Is not very big
But, terribly, terribly
Terribly quick

One moment, he's there and
Then he is not
You're getting much closer
You're terribly hot

You think that, you've got him
He scurries away
The mouse on the carpet
How he loves to play

Tiger Tiger

Tiger, tiger creeping through the jungle
Tiger, tiger creeping up on you
Will you hear him, as he's getting nearer?
When he growls, what will you do?

Run, run, run, run
Run away from him

Tiger, tiger creeping through the jungle
Tiger, tiger creeping up on you
Will you see him, as he's getting nearer?
When he pounces, what will you do?

Run, run, run, run
Run away from him

Dylon The Dippy Donkey

Dylon the dippy donkey
Didn't know what to do
An identify crisis made him think
He was a kangaroo

He decided he wouldn't 'eeyore'
So made a funny noise
His Mum raised her eyes to the skies
Ans said, "Well, that's his choice"

Dylon the dippy donkey
Only wanted to jump
His friends watched on
Ans he tried and tried
Always landing in a lump

They said, "Dylon, you've got to decide
Who you really are
How can you be a kangaroo
When you say 'eeyore'!"

So Dylon looked over the hills
To the lambs far away
A little glint came into his eye
And then they heard him say
"Baa, baa, eeyore, baa, baa
Baa, baa, eeyore, baa, baa"

So Dylon looked over the hills
To the lambs far away
A little glint came into his eye
And then they heard him say
"Baa, baa, eeyore, baa, baa
Baa, baa, eeyore, baa, baa"

Three Blind Mice

As three blind mice?

(repeat)

So quiet and peaceful
Silent and warmed
Up by the sun's sunbeams

You sweet little bear
Up in that old gum tree

Over in the meadow in the nest in the tree
Lived an old mother birdie, with her little birdies three
 "Sing", said the mother
 "We sing", said the three
So they sang and were glad in the nest in the tree

Lived an old mother spider and her little spiders ten

When he is getting hot
