Wriggling around at the crack of dawn
Along came a magpie yum yum yum
Now that little worm is in her tum

Now that little worm is in her tum

Four little worms on the garden lawn
Wriggling around at the crack of dawn
Along came a magpie yum yum yum

PTCD269 TRACK 7 / 24
WHEN I'M A BUTTERFLY

I'm not good looking, I'm not a pretty sight
Creeping and crawling, I'll give you quite a fright
Caterpillar's look ferocious to keep the birds away
And all the other creatures that think of me as prey

(chorus)

But when I'm a butterfly, I'll flutter by
I'll soar in the air and fly in the sky
And you won't believe it's me
When I'm a butterfly, without a lie
I'll be so lovely no longer ugly
What a pretty thing I'll be

I'm always hungry, I must have lots to eat
Delicious green leaves, that's what I call a treat
Caterpillars in the garden growing day by day
Then to your amazement we'll change and fly away

(chorus)

PTCD269 TRACK 8 / 24
THERE WAS AN OLD LADY WHO SWALLOWED A FLY

CREEPY CRAWLIES AND ITCHY THINGS

(chorus)

Creepy crawlies and itchy things
Hairy legs and tiny wings
Long antennae and yellow rings
Creepy crawlies and itchy things

Look about you and you will find
Lots of insects and all their kind
Some are crawling and some can fly
Some of them are scary don't ask me why

(chorus)

Caterpillars and beetles too
Ugly spiders that won't harm you
Ladybirds and a butterfly
Lots of different colours don't ask me why

(chorus)

Watch the ants as they work all day
To build a nest where their Queen will stay
They fetch her food they won't let her die
They all work so hard don't ask me why

(chorus - repeat)

Busy busy bee buzzing along
You are such a busy busy bee
Buzzing all day long

(chorus)

Busy bee busy bee
Won't you stop and talk to me
Stay a while stop and smile
Won't you spend some time with me

When do you sleep busy busy bee
Busy busy bee buzzing along
When do you sleep busy busy bee
All night long

(chorus)

When do you sleep busy busy bee
Busy busy bee buzzing along
When do you sleep busy busy bee
All night long

HERE IS THE BEE HIVE

Here is the beehive
Where are the bees?
Hiding where nobody sees
Watch them come creeping
Out of their hive
One and two and three, four, five

PTCD269 TRACK 12 / 24
THE GRASSHOPPER HOP

Did you ever wish that you could jump, high in the air?
Did you ever wish that you could jump, right up the stair?

I know a little friend and he can jump, very far
He can jump much further than you and I, ha ha ha

(chorus)

The grasshopper hop
The grasshopper hop
He can jump through the grass and weeds
He might jump for you
The grasshopper hop
The grasshopper hop
If you watch him you will see
That's what grasshoppers do

(repeat - and repeat chorus)

PTCD269 TRACK 13 / 24
SLOWLY CREEPS THE SNAIL

Slowly slowly very slowly creeps the garden snail
Slowly slowly very slowly up the wooden rail
Slowly slowly very slowly round the flowerbed
slowly slowly very slowly under the garden shed

PTCD269 TRACK 14 / 24
SLIPPERY SLITHERY SNAIL

The slippery slithery slippery snail
Crawled up the side of the garden pail
Went over the top and fell with a plop
And wished he'd had the sense to stop

He got to the side and to his surprise
Found that he could slip and slide
He slithered around and fell to the ground
And slipped away with a slurping sound

(chorus)

Slippery slithery slippery slithery slippery slithery trail
Slippery slithery slippery slithery slippery slithery snail

So what can it be? When you look and see
Slithery trails all silvery
Asleep in his shell so comfy and well
Is Mister slippery slithery snail

(chorus - repeat)

PTCD269 TRACK 15 / 24
THE SPIDER TO THE FLY

Come in to my parlour
Said the spider to the fly
I promise I won't eat you
I promise you won't die
I'll sit and tell you stories
Of how I spin my web
Come in to my parlour
I promise you'll be fed
You mustn't try to tempt me
Came the bold reply
You're a great big spider
And I'm just a little fly
If I come in to your parlour
I know for sure I'll die
Hmm, I suppose you think you're clever
Said the spider to the fly

PTCD269 TRACK 16 / 24
DADDY LONG LEGS

(chorus)

Daddy long legs, daddy long legs
Daddy long legs, daddy long legs
Daddy long legs, daddy long legs
Daddy long legs, daddy long legs
Daddy long legs

You don't look nice but you can't hurt me
Daddy long legs
It's not your fault but you're so ugly

(chorus)

You can't fly far to close to me
Daddy long legs
It's not your fault that you're so scary

(chorus)

I don't know why you must come inside
Daddy long legs
Make me shudder and want to hide

(chorus - repeat)

PTCD269 TRACK 17 / 24
ARABELLA CATERPILLAR

Little Arabella Miller
Found a woolly caterpillar
First it crawled upon her mother
Then upon her baby brother
All said Arabella Miller
Take away that caterpillar

PTCD269 TRACK 18 / 24
1 2 3 THE CATERPILLAR'S UP THE TREE

1 2 3, the caterpillar's up the tree
3 4 5, it's turning into a butterfly
6 7 8, take a look and you'll be too late
9 and 10, now it's flown away and you won't see it again

Caterpillar creepy crawling
Crawling on its way
Caterpillar creepy crawling
Tomorrow it'll fly away

1 2 3, the caterpillar's up the tree
3 4 5, it's turning into a butterfly
6 7 8, take a look and you'll be too late
9 and 10, now it's flown away and you won't see it again

Caterpillar creepy crawling
Crawling on its way
Caterpillar creepy crawling
Tomorrow it'll fly away

PTCD269 TRACK 19 / 24
UP THE WALL!

(chorus)

Up the wall, up the wall
They can stick on the ceiling
They can stick and never fall
Up the wall, up the wall
They can fly around and stop
And stand on anything at all

On the curtains, on the door frame
To a fly it's all the same
On the mirror, or the table
To a fly it's just a game

(chorus)

In the bedroom, on the landing
To a fly it's such a treat
In the hallway, on the staircase
To a fly with sticky feet

(chorus - repeat)

PTCD269 TRACK 20 / 24
BUGS IN THE BACK YARD

Bugs in the back yard, oh my
Bugs in the greenhouse, green fly
Bugs in the floorboards, not nice
Bugs in the woodwork, wood lice
Only a bug can spoil your day
Gnat's and wasps make you run away
Not very nice these creepy things
Especially the ones with the buzzy wings

Bugs in the back yard, oh my
Bugs by the fishpond, dragonfly
Bugs in the flowerbeds, just dug
Bugs in the garden, slimy slug
Only a bug can cause such fear
It may be small but as long as it's here
We don't like it and cringe you may
But bugs are here and they're here to stay

PTCD269 TRACK 21 / 24
MUNCH MUNCH MUNCH

(chorus)

Munch, munch, munch
Munch, munch, munch
Munching away for the whole of the day
Munch, munch, munch

(chorus)

Did you realise that
Some insects eat fly's and
Many eat much sweeter things
Like jam and apple pies

Others will no doubt go
For a brussel sprout and
Lettuce leaves and cabbages
Are what will make them stout

(chorus)

Did you realise that
Some insects eat fly's and
Many eat much sweeter things
Like jam and apple pies

Others will no doubt go
For a brussel sprout and
Lettuce leaves and cabbages
Are what will make them stout

(chorus)

PTCD269 TRACK 22 / 24
A TINY WORM

A tiny tiny worm wriggled along the ground
It wriggled along like this without a sound
It came to a tiny hole a tiny hole in the ground
It wriggled right inside without a sound

PTCD269 TRACK 23 / 24
UNDER THE GROUND

(chorus)

Under the ground
Are all kinds of creepy crawlies
Under the ground
Are all kinds of creepy things
Under the soil
In the ground just outside your door
Under the soil
A strange world you can explore
Under the ground
Under the ground

All kinds of creatures exist
Just underneath where we live
They seem so scary and ugly and hairy
And truthfully they'd not be missed

Under the soil they roam
Or hiding out under a stone
Dug up and dirty and ever so earthy
That what some insects call home

(chorus)

All kinds of creatures exist
Just underneath where we live
They seem so scary and ugly and hairy
And truthfully they'd not be missed

Under the soil they roam
Or hiding out under a stone
Dug up and dirty and ever so earthy
That what some insects call home

(chorus)
